Dear Client

**ACQUISITION OF THE BUSINESS OF WATER RESEARCH CENTRE LTD BY RSK GROUP LTD**

We are delighted to inform you of the acquisition of WRc (Water Research Centre Ltd) by RSK Group Ltd, which took place on the 18<sup>th</sup> August 2020.

As you know, WRc delivers leading technical research and innovation services to the global water, waste management and energy sectors. We are privileged to act as one of your suppliers. This acquisition will see our staff and business continuing as normal, but WRc moving to new ownership within a larger organisation that will support our continued growth, development and excellent reputation. This will enable us to retain our brand identity and continue delivering the service that you and our many other clients expect from us, all while having access to a wider range of excellent technical and professional resources.

RSK is a leading independent engineering and environmental consultancy, and provider of technical support services, headquartered in the UK and operating internationally. It has a diverse portfolio of projects around the world, including technical disciplines that are complementary to and supportive of what WRc already does. Like us, RSK is very much a client-focused business and the continuity of supply to you and every one of our clients and professional partners is its highest priority.

Our staff and directors will continue to deliver projects for you as normal and to the high level of service that is expected. We look forward to many more years of working with you. Please continue to make all future payments to the business to

Bank: HSBC  
Sort code: 40-24-10  
Account number: 71502514

If you have any questions, please get in touch with your usual WRc contact person, who will be pleased to talk to you.

Yours sincerely

Mark Smith
